Rothschild, WI Police Department: Accident Reports are now available Online through PoliceReports.US

This month the Rothschild Police Department in Wisconsin began providing access to MV4000 Accident Reports online with a software system from PoliceReports.US. "We now link to PoliceReports.US from our Police website," stated Captain Dean Albrecht. "We want to give our customers fast and easy access to our accident reports."

The Rothschild Police Department is a progressive agency committed to providing high levels of service. Online distribution of accident reports through PoliceReports.US is another enhancement to the department's professional offerings. The Village of Rothschild is located in Marathon County near Wausau.

"Interest in the Online Accident Report solution from PoliceReports.US is growing in Wisconsin and we are proud to be working with the Rothschild Police Department," stated Kevin Hartman, Regional Manager for Empire Software Solutions, the company that provides the system in Wisconsin.

Empire Software Solutions identifies and then represents software companies that offer solutions that will benefit state/ local government and public safety.
